DATE: 28 August 1958

TO : Chief, Industrial Division, ORB

FROM : Chief, Guided Missile Branch, D/I

25X1A2g

SUBJECT: Additional Requirements on [REDACTED] 5 August 1958.

REFERENCE: [REDACTED] 25X1A2g

The referenced report is prefaced with the statement that the source is normally available for additional interrogation. Can it be ascertained if source toured in the Dnepropetrovsk area (48° 25' N 35° 02' E)? Did source take any photography in this area? Do we have such photography on file within this agency? If not, can we obtain all photographs that were taken in or near the vicinity of the town of Dnepropetrovsk?
